Working Together Conference

The Working Together Conference is a joint effort of the Internal Revenue Service, PA Department of Revenue, and various PA practitioner organizations.

This unique event provides an opportunity for Western PA tax professionals to hear expert panels of practitioner and government representatives discuss the latest developments in:

- IRS SB/SE Field & Office Examination Programs
- IRS Collection Programs
- Emerging areas of compliance and practitioner due diligence responsibilities
- IRS "Hot Issues" such as tax related identity theft and expanding online resources
- PA Department of Revenue panel discussing PA tax programs & procedures.
- Legislative changes to tax laws and procedures
- And much more!!

We expect the 2019 Western PA Working Together Conference to sell out. We hope you can attend!
